# $\underline{ Thing} > \underline{ Organization} > \underline{ Corporation}$

Organization: A business corporation.

Usage: Between 10,000 and 50,000 domains

[more...]

Property	Expected Type	Description
Properties from Corporation		
tickerSymbol	Text	The exchange traded instrument associated with a Corporation object. The tickerSymbol is expressed as an exchange and an instrument name separated by a space character. For the exchange component of the tickerSymbol attribute, we reccommend using the controlled vocaulary of Market Identifier Codes (MIC) specified in ISO15022.
Properties from Organization		
actionableFeedbackPolicy	CreativeWork or URL	For a <u>NewsMediaOrganization</u> or other news-related <u>Organization</u> , a statement about public engagemen activities (for news media, the newsroom's), including involving the public – digitally or otherwise – in coverage decisions, reporting and activities after publication.
address	PostalAddress or Text	Physical address of the item.
aggregateRating	AggregateRating	The overall rating, based on a collection of reviews or ratings, of the item.
alumni	Person	Alumni of an organization. Inverse property: alumniOf.
areaServed	AdministrativeArea or GeoShape or Place or Text	The geographic area where a service or offered item is provided. Supersedes serviceArea.
award	Text	An award won by or for this item. Supersedes awards.
brand	Brand or Organization	The brand(s) associated with a product or service, or the brand(s) maintained by an organization or business person.
contactPoint	ContactPoint	A contact point for a person or organization. Supersedes contactPoints.
correctionsPolicy	CreativeWork or URL	For an Organization (e.g. NewsMediaOrganization), a statement describing (in news media, the newsroom's) disclosure and correction policy for errors.
department	Organization	A relationship between an organization and a department of that organization, also described as an organization (allowing different urls, logos, opening hours). For example: a store with a pharmacy, or a bakery with a cafe.
dissolutionDate	<u>Date</u>	The date that this organization was dissolved.
diversityPolicy	CreativeWork or URL	Statement on diversity policy by an Organization e.g. a NewsMediaOrganization. For a NewsMediaOrganization, a statement describing the newsroom's diversity policy on both staffing and sources, typically providing staffing data.
duns	Text	The Dun & Bradstreet DUNS number for identifying an organization or business person.
email	Text	Email address.
employee	Person	Someone working for this organization. Supersedes employees.
ethicsPolicy	CreativeWork or URL	Statement about ethics policy, e.g. of a NewsMediaOrganization regarding journalistic and publishing practices, or of a Restaurant, a page describing food source policies. In the case of a NewsMediaOrganization, an ethicsPolicy is typically a statement describing the personal, organizational and corporate standards of behavior expected by the organization.
event	Event	Upcoming or past event associated with this place, organization, or action. Supersedes events.
faxNumber	Text	The fax number.
founder	Person	A person who founded this organization. Supersedes founders.
foundingDate	<u>Date</u>	The date that this organization was founded.
foundingLocation	Place	The place where the Organization was founded.
funder	Organization or Person	A person or organization that supports (sponsors) something through some kind of financial contribution.
globalLocationNumber	Text	The <u>Global Location Number</u> (GLN, sometimes also referred to as International Location Number or ILN) of the respective organization, person, or place. The GLN is a 13-digit number used to identify parties and physical locations.
hasOfferCatalog	OfferCatalog	Indicates an OfferCatalog listing for this Organization, Person, or Service.
hasPOS	Place	Points-of-Sales operated by the organization or person.
isicV4	Text	The International Standard of Industrial Classification of All Economic Activities (ISIC), Revision 4 code for a particular organization, business person, or place.
